

SHELL VACATIONS CLUB

Enhanced Guest Room Cleaning & Sanitizing Protocols

1. All touchpoints are sprayed & sanitized when the room attendant enters or exits the guest room
2. Your bathroom has been fully cleaned & sanitized using an EcoLab scrub free bathroom cleaner and disinfectant
3. All kitchen items have been washed and sanitized in the dishwasher
4. Sanitized all touch points in the kitchen (drawer knobs, fridge, oven and microwave handles, stove top, dishwasher and garbage bins)
5. Fridge and freezer have been cleaned and sanitized. Freezer door has been sticker sealed. Ice tray filled with fresh water and/or ice maker reset prior to your stay
6. All hard surfaces have been dusted, cleaned and sanitized
7. Once the cleaning process has been completed, your guest room has been sanitized with a hydrogen peroxide solution. This includes misting all soft surfaces (bedding, couch, chairs, curtains and carpet)
8. Extra linen bag in entrance closet is sealed & complete with fresh linen
9. Midweek cleans will not be taking place over course of your stay. On the fourth day of your stay we will be delivering a linen bag with fresh towels & amenities for the duration of your visit
